## BLG Awards / Prix BLG

The BLG Awards (formerly Howard, Mackie Awards) are presented annually to the CIS Male and Female Athletes of the Year. They were established to give much deserved recognition to Canadian university athletes and encourage these athletes to continue post-graduate studies in a Canadian university. The Awards are based on athletic accomplishment. To be eligible for the Award, an athlete must have participated in a CIS sport for a period of two years. No athlete may win the Award more than once.

Les Prix BLG (anciennement Howard, Mackie) furent créés afin de souligner les réalisations sportives exceptionnelles des étudiants athlètes et de les encourager à poursuivre des études supérieures dans un établissement canadien. Ils sont remis annuellement aux athètes masculin et féminin de l'année de SIC. Les critères de sélection sont basés sur la performance sportive. Pour être admissible, l'athlète doit avoir participé à un sport de SIC pendant au moins deux ans. Un athlète ne peut mériter le prix qu'à une reprise.

## Top 8 Academic All-Canadians

In 1988, CIS introduced its first Academic All-Canadians, those exceptional student-athletes who achieve an academic standing of 80% or better while playing on one of their university's varsity teams.

Among these outstanding individuals, one female and one male from each CIS regional association are selected annually as Top 8 Academic All-Canadians.
