Motion

Carried Unanimously

That Brian MacPherson, COO of the Canadian Paralympic Committee, serve on the CIS Bid Selection Committee for 2006 as one of the external experts.

Background:

At the May 23 board meeting M. McGregor indicated that Paul Melia of CCES had been approached, but had not yet confirmed his participation on the the bid selection committee. Paul indicated that he was unable to accept the role this year due to time constraints. On the board conference call it was agreed that if Paul said no, M. McGregor would recruit an alternate candidate and circulate the name to the board for approval.
